

**Choose one of the following
11-A-SIDE leagues:**

COMPETITIVE LEVEL

This League offers an excellent opportunity to play 11 on 11 games prior to fall ball. It can help fulfill a college coach's game requirements for personal training. Club teams often use this league to give potential players a try-out before finalizing their rosters. BOLA provides pre-college, college, post-college & adult athletes a competitive team atmosphere. Great for experienced players desiring high level play!

RECREATIONAL LEVEL

This League is open to women who still enjoy the game but prefer a less competitive atmosphere. Good opportunity to work on conditioning and enhancing skills!

HIGH SCHOOL LEVEL

(Summer only)

This League is open to women who are currently in High School and would like to play against other High School players. Good opportunity to work on conditioning and enhancing skills for future seasons and to prepare for college play!
